## CALLING ALL YEAR 6'S...

If your child is currently in year 6 then in September they will be too old for Kidz Klub. We would like to invite them to attend our youth group, for children aged 11-13. In order to make this transition easier for your child we would like to encourage them to go to the youth group this term, before we break for the summer. It runs the same time as Kidz Klub but upstairs in The Lounge. When your child arrives just get them to ask the Kidz Klub registration team if they can go to the youth group and we will escort them there. Many of the year 6 children are already going so there will be plenty of familiar faces!

We are sad to announce that Steve Kitto, co-leader of Kidz Klub will be stepping down as of the summer. Steve helped start Kidz Klub 8 years ago, and has worked extremely hard over the years. He has loved being a part of the team but feels now is the right time to move on. The staff and children will really miss him.

We do, however, have some new staff joining us in September and Natalie will continue to head up Kidz Klub, with the help of the other workers. So whilst we are sad that Steve is leaving we are still looking forward to another fun-filled year at Kidz Klub this September!
