## **Small group**

### **These WORDS are GOD'S WORDS**

WORDS are important. Language is sacred. Full of meaning. What we say – the words we speak – has creative power.

*“May the words of my mouth and the meditation of my heart be pleasing in your sight, O Lord my rock and my redeemer.” (Psalm 19:14)*

GOD is a GOD who speaks. From the very start of the bible, GOD SAYS things! His words are important. They will change us if we allow them to.

- 1) Read John 15: 1-8 together, look in particular at verse 7.
- 2) What does it mean for God's/Jesus' words to remain in us? How might we experience and facilitate this?
- 3) God speaks in many different ways. Discuss together some of these ways and share stories of how God has spoken to you in some way?
- 4) Do you struggle to hear God's words? How can we listen to him and hear his voice more?
- 5) What might some of the blockages be that stop us from hearing God's words and how can we get rid of these?
- 6) See also Matthew 7:24-29. What do we need to do with God's words? How do we do what this scripture says?
- 7) Why not pray together as a group and see what God might say through you? Give someone a scripture or pray a blessing over them. God wants to speak to you and through you!
